**Message to Racers in the event of a RED STATUS ALERT after race start:**

The course has been shut down due to \_\_\_\_\_.

The race will NOT be restarted.

All racers should shelter at the nearest aid station and await transport to the start/finish area.

If you choose not to stop and shelter, you are proceeding at your own risk and you understand that:

- Signs, arrows, and course markings may not be in place
- Volunteer course marshals will not be in place
- Police will not be in place
- No one will be there to tell you where to go
- You are proceeding AT YOUR OWN RISK.

**MEDALS:** All participants will receive a medal for the race in which they registered for, regardless of whether or not they completed the course before the course was closed.

**TIMING MATS:** All intermediate timing mats will be pulled at the time of course closure. The finish line mat will stay in place to account for runners; however, an *official* finishing time will not be awarded to runners who cross the finish line after the course is officially closed.

**AWARDS:** Overall and age group awards will be awarded only to those who earned them and were able to complete the race course before the course was closed.
